Summary of reasons for decision:

This computer moving image file is deemed to be objectionable under s3(2)(a) and s3(2)(b) of the Films, Videos and Publications Classification Act 1993 because it tends to promote and support the exploitation of young persons for sexual purposes, and because it promotes and supports the use of violence and coercion to compel a person to participate in, or submit to, sexual conduct. It is a sexually explicit scene with a role-play in which a teenage girl is raped as punishment by her stepfather. Regardless of the female performer's real age, she is convincingly portrayed as a young person, and the sexual conduct is violent and degrading. This classification is a reasonable limitation on the freedom of expression embodied in the New Zealand Bill of Rights Act 1990. It reflects the

concern of a free and democratic society to limit the availability of publications that tend to promote or support the sexual exploitation of young people, and sexual violence.
